CoolPack For Windows [Latest 2022]

CoolPack represents a royalty-free collection of bars, buttons and tiles that you can use for your websites, multimedia applications and programming projects. Before proceeding any further, you should know that the collection hasn't been updated for a very long time, and the graphics files have low quality. Color-themed GIF bars, buttons and tiles with various sizes The theme of the collection is based on various colors, such as aqua, dark blue, light blue, gray, green, orange, gold, purple, yellow, gold, red, and black. There are 118 graphic files in total with different sizes, and all of them have the GIF extension. Except for 15 animated GIFs for email, welcome and "under construction" LED signs, the files have still GIFs format. For each color there are six or seven bars available, along with two buttons. Apart from the aforementioned colors, there are two vine, three multicolor and one checker bars. The collection is not organized well, so you have to check out each file to find out its size. It ranges from 15x15 px (for buttons) to 125x35, 230x40, 500x25, 600x10, 600x15 px (for bars). There are 24 tiles in total to choose from, each having a 128x128 resolution. These have different colors and patterns, and they can be use to create tiled backgrounds, such as wallpapers or textures. Simply download and extract Installation is not necessary, so you can save the downloaded archive in a custom location the hard disk and simply extract the files to use. Another option is to save the files to a pen drive, external hard disk, memory card, or other removable storage unit, in order to carry it with you at all times and copy the images on any machine. , 1024/2016-03-14 New: You can now add your Graphics to your Downloads with the AddDownloads.php file. Awesome Support: If you find any bugs or have questions please contact us via our "Contact Us" form. Update 5: Fixed Errors! (1.9.1) Update 3: Support! Now you can attach multiple GIFs and PNGs to each item (like buttons). Upload files in a higher resolution than 1024, depends on file size. Added more icons! - Which colors and size do you prefer? Update 1: Added Gold and Apple Green Tiles! 12 new items
