We heard many stories of regular rail users' frustration at over 50 years of under-investment in our rail

infrastructure. The government's most recent major rail investment announcement has confirmed that regular rail users will see a decade of major improvement in our rail infrastructure over the next five years. means, defeat them all! Do you have what it takes to vanquish your destiny and become the strongest of the three Elden Lords? Let's start on the right foot. I will prepare the summoning spell for you. Where is the Sage of Dragon's Fire? Show yourself to me, Tartarin. Tartarin sat in a deep, dark, and cold cave that was once a grotto. The two figures were heading straight for the grotto! "H-Hey, this is no time for that!" He got up from the ground and ran. However,
