The world of nature is waiting for you! Here your ambition will be challenged as you decide which enclosures to build and which animals to feature in your zoo. A wide variety of animals awaits you in the African Wildlife Park. For instance, there are giraffes, orangutans, wild monkeys, zebras, ostriches, warthogs, and much more. The more enclosures you build, the more animals you can display in a specific enclosure. Your guests will love the magnificent wildlife of Africa. For instance, they'll love the African buffaloes, the elegant ostrich, or the majestic giraffes. The African animals have a huge variety of unique behaviors. Spot the cheetahs or the giraffes? Do you want to prove you're the best zookeeper around or create the ultimate zoo? In the African Wildlife Park you can buy or create your zoo according to the needs of the visitors. Build enclosures for the African animals, build a Nature House where you can relax and offer more views of the big variety of African animals, or build the Cobblestone Zoo. Don't forget your guests. Give them additional entertainment by displaying puppets and other interesting animals, or offer them coffee or an ice cream in the new Coffee House. Also, in the African Wildlife Park, you can not only build your own zoo, you can also become a general manager of your own Zoo Business. You will find new trade areas to sell new items from Africa and to earn new revenues. Climb the trees for the best view. Find safe hidden locations where you can watch over your own peaceful gardens, where you can practice tree climbing, and where you'll find rare plant species. The African Wildlife Park brings you to the heart of Africa! Discover the lands of the great African deserts, where amazing Kalahari zebras, gemsboks and reticulated giraffes roam through the plains. The African animal species that inhabit

these deserts are very large and unique. For example, the gemsboks, a lovely type of antelope, are a herd animal and their movements are very unique. They use a special padded stick to walk, and their bodies are equipped with a very strong tail. The diamonds, on the other hand, are deadly. They are a type of antelope that lives in the Kalahari, and they are the most dangerous kind of antelope in the world. They attack with
