TINASEMASHAVIRA. . . .

I have a noob question. I  
know how to connect to the  
internet in IE and now I

---

want to connect to the internet in firefox. How is it done? Can somebody explain how to connect to the internet in firefox? Also, I am using IE. If you need more information, please do tell. Your help is much appreciated. TinaSoft EasyCafe 2.1.7. PREMIUM and FREE #1!!! . TinaSoft
