and spell-like abilities. Torches illuminate objects and people, they also give off light, so you can see in darkness. They have a maintenance cost, that is independent of their size. Spell-like abilities don't illuminate (at least not directly) and are very fragile, because they don't do much damage. They last for a while, and you have to consume them, and have a duration of a short action if you want to hold a torch. Both types of light are valuable 6d1f23a050
